APRIL 11-14 2024 LEVEL 1 & 2
25 CE CREDITS

Linhart Continuing Dental Education Program

MISSION STATEMENT

- To provide an environment where dental professionals can learn new technologies, document their progress and develop **excellent skills** for treating difficult and challenging cases. To be able to use their knowledge to treatment plan and sequence cases more **efficiently** and **predictably**, using teeth or dental **Implants** as the foundation; **Ceramics** and other materials for the restorations, in a Digital World.
- **Occlusion** as the functional component and **Aesthetics** as the focus for ideal natural appearance that **best fits** each patient.

FMR Testimonials

The FMR program at NYU was truly transformative for me. Having studied at numerous restorative institutes, I know you cannot find this curriculum anywhere. I can now quickly evaluate any patient in my office and determine the appropriate treatment sequence through classification levels unique to NYU FMR. This program gives you the edge you need to communicate confidently with patients and treat complex cases with predictability.

**Alfred W. Hollis, DDS
Saratoga Springs, NY**

Dear FMR FAMILY & Dr Dean

I am beyond happy that I participated in your 4 day course this past week. I am still elaborating everything happened in my mind. It was amazing, the intensive learning, the meeting of new people with different backgrounds but with the same passion.

I cannot wait to be able to practice again and put in life everything I learned. I definitely want to be part of FMR Family.

**Thank you so much again,
Ortensia Gjonca, DDS**
