

Dr. Laxemb.

I just wanted to let you know how much I appreciate you taking the time to phone me yourself, to check on me after surgery, instead of your nurse. That is very rare these days for the physician to do so. I truly believe you are a very caring physician and I would definitely recommend you to anyone. I already have.

Thank you so much for being so caring & thoughtful.

Also: your office staff is GREAT!

This comes with  
sincere appreciation.

I'm sure this isn't the last time your staff & you will see me so visit...  
"Have a great summer!"  
& use sunscreen

  
*warm wishes*
