**William H. Dascomb, MD
Georgia Institute for Plastic Surgery
5361 Reynolds Street
Savannah, GA 31405**

Dear Dr. Dascomb:

I'm writing to thank you once again for surgically removing a basal cell carcinoma earlier this month. Your consummate skill as a surgeon is acknowledged throughout the region, and my wife Linda and I are fortunate to be counted among your patients. I am grateful in particular for the concern shown by you and your fine staff before and following the procedure. Your phone call with the biopsy results is greatly appreciated.

The Coastal region is blessed to have you.

Sincere best regards,
