

B. Cameron Carr, M.D.

EMPLOYMENT

- Ophthalmology Specialists of Texas – North Texas Retina Consultants** | Willow Park, TX Aug 2023 - Present
Vitreoretinal Surgeon
- The Ohio State University** | Columbus, OH July 2021 – July 2023
Assistant Professor – Ophthalmology
- Chalmer P Wylie Veterans Outpatient Clinic** | Columbus, OH July 2021 – July 2023
Clinical Instructor – Ophthalmology/Retina

EDUCATION & TRAINING

- The Ohio State University** | Columbus, OH July 2023
Vitreoretinal Surgery Fellowship
- The University of Texas Southwestern Medical Center** | Dallas, TX Jun 2021
Ophthalmology Residency
- John Peter Smith Hospital** | Fort Worth, TX Jun 2018
Transitional Year Internship
- The University of Texas Southwestern Medical School** | Dallas, TX Jun 2017
Doctor of Medicine
- Brigham Young University** | Provo, UT Apr 2012
Bachelor of Science in Exercise Science, *magna cum laude*

CLINICAL TRIALS

Sub-investigator

Principal investigator: Matthew Ohr, MD

GR40550: A phase III, multicenter, randomized, visual assessor masked, active comparator study of the efficacy, safety, and pharmacokinetics of the port delivery system with ranibizumab in patients with diabetic macular edema (PAGODA)

Sub-investigator

Principal investigator: Matthew Ohr, MD

A phase 3, open-label, multicenter, extension study to evaluate the long-term safety and efficacy of pegcetacoplan in subjects with geographic atrophy secondary to age-related macular degeneration (GALE)

Sub-investigator

Principal investigator: Matthew Ohr, MD

A multicenter, open-label extension study to evaluate the long-term safety and tolerability of the port delivery system with ranibizumab in patients with neovascular age-related macular degeneration (PORTAL)

Sub-investigator

Principal investigator: Matthew Ohr, MD

GR42691: A multicenter, open-label extension study to evaluate the long-term safety and tolerability of faricimab in patients with neovascular age-related macular degeneration (Avonelle-X)

Sub-investigator

Principal investigator: Fatoumata Yanoga, MD

A phase III, multicenter, randomized study of the efficacy, safety, and pharmacokinetics of the port delivery system with ranibizumab in patients with diabetic retinopathy (PAVILION)

Sub-investigator

Principal investigator: Matthew Ohr, MD

A multicenter, open-label extension study to evaluate the long-term safety and tolerability of faricimab in patients with diabetic macular edema (Rhone-X)

Sub-investigator

Principal investigator: Ana Suelves, MD, PhD

A phase III, multicenter, randomized, double-masked, sham-controlled study to investigate the efficacy, safety, pharmacokinetics, and pharmacodynamics of RO7200220 administered intravitreally in patients with uveitic macular edema

Sub-investigator

Principal investigator: Matthew Ohr, MD

A randomized, partially masked, controlled, phase 3 clinical study to evaluate the efficacy and safety of RGX-314 gene therapy in participants with nAMD

EXPERIENCES

- Resident Representative, The American Academy of Ophthalmology Secretariat Retreat** | Dallas, TX Feb 2020
Participated on the committee planning the AAO 2020 Annual Meeting
- Peer Mentor, UT Southwestern Medical School** | Dallas, TX Aug 2016 – June 2017
Taught weekly sessions to preclinical medical students on history taking, physical examination, and ethics
- Medical Missionary, Southwestern Christian Fellowship** | Amatitlan, Guatemala Apr 2014
Evaluated dozens of patients and developed care plans emphasizing nutrition, deworming, and sustainable care
- Ophthalmic Assistant, Retina and Vitreous Surgeons of Utah** | Provo, UT Jun 2012 – Jun 2013
Full-time employment, assisted in over 100 retinal surgeries, performed ocular imaging (OCT, FA, color fundus photos), completed patient workups, transitioned paper charts to EMR, stocked medications and supplies, traveled to rural clinics
- Ultrasound Operator, Brigham Young University** | St. George, UT Oct 2011
Performed carotid artery ultrasounds at the Huntsman World Senior Games to measure intima-media thickness as part of research looking at cardiovascular risk stratification
- Ecclesiastical Missionary, The Church of Jesus Christ of Latter-Day Saints** | Fortaleza, Brazil Sep 2007 - Aug 2009
Volunteered 70+ hours per week, proficient in Portuguese and Spanish, led groups of 8 to 24 missionaries, participated in family counseling, addiction recovery programs, and community service

HONORS & AWARDS

- UT Southwestern Nominee for Texas Ophthalmological Association Resident Paper Contest** | Austin, TX May 2021
Nominated for Refractive Outcomes Following Cataract Surgery Combined with Different Microinvasive Glaucoma Surgeries
- UT Southwestern Medical Foundation Scholarship** | Dallas, TX Aug 2013 - May 2017
Awarded a scholarship for \$1,000 and granted in-state tuition each year of medical school
- Best Poster at UT Southwestern Ophthalmology Annual Resident and Alumni Day** | Dallas, TX Jun 2016
Awarded for the poster Minimizing Refractive Surprise in Resident Cataract Surgery
- Phil Allsen Exercise Science Award** | Provo, UT Apr 2012
Recognized as the most outstanding student in Exercise Science at Brigham Young University based on scholarship, leadership, and community service
- The Brigham Young Scholarship** | Provo, UT Sep 2006 – Apr 2012
Awarded a full-tuition scholarship for academic excellence each year of undergraduate studies
- Valedictorian** | Fairfield, CA June 2006
Vanden High School
- Eagle Scout** | Vacaville, CA May 2006
Attained the highest rank in the Boy Scouts of America
